General Comments

- 0630 hrs site visit. There is no Caltrans access from the Skyway to get on the SAS. This is in preparation of sliding the 13E/CB18/13W portion to the West to match up with 12E and 12W.
 - 1000 hrs Watson Bowman sales rep on site. Went to visit her and Bob Kick (ABF) to discuss the CCO 140 mockup.
 - Site visit to observe progress throughout the afternoon and cover any bolt testing if needed.
- No overtime accrued today.
